Non-Member	\$425

- Select your exam window.

Exam Window	February 1–29, 2024	May 1–31, 2024	September 1–30, 2024
Apply by	January 11, 2024	April 4, 2024	August 8, 2024

PREPARE FOR THE EXAM

The exam is 170 questions and 3 hours in length; 20 of the 170 items are pre-test items that are not scored. Review exam content outline in handbook.

Study Tools Options

- AANN Advances in Stroke Care Conference
- Self-Paced SCRN Review Course
- SCRN Exam Prep Package
- Live SCRN Review Webinar
- AANN Comprehensive Review for Stroke Nursing
- SCRN Self-Assessment Examination
- AANN Clinical Practice Guidelines

DAY OF EXAM AT A TESTING CENTER

- Arrive on time.
- Bring one form of identification that contains a current photograph, your current name, and your signature. Bring one of the following:
 - Driver's license with photograph
 - State identification card with photograph
 - Passport
 - Military identification card with photograph

No forms of temporary identification will be accepted.

You will receive your pass/fail status at the testing site.

- Certificates will be mailed within 4–6 weeks of the examination date to those who pass.

PREPARE TO TAKE THE EXAM WITH LIVE REMOTE PROCTORING (LRP):

Review the technical requirements and exam day instructions at ABNNcertification.org/LRP.

You will receive your score immediately upon completion of your LRP exam. A pass or fail screen will be displayed upon completion of the exam. Additionally, a more detailed score report will be emailed to you.

Celebrate your achievement! Display your certification proudly with an SCRN pin or plaque available for purchase at ABNNcertification.org/recognition and use the Celebration Tool Kit to share your good news!

- Complete SCRN Recertification every 5 years.
 - **Option 1:** Retake the exam
 - **Option 2:** 50 CE hours working in stroke full-time
 - **Option 3:** 75 CE hours working in stroke part-time

For full eligibility requirements, review the SCRN handbook at ABNNcertification.org.
